

Resource 1

Aging App - How will your career change over your lifetime?

Instructions:

1. Download FaceApp from the App Store or Google Play www.faceapp.com
2. Open the App, scroll across the bottom to select the Age filter
3. Take a selfie
4. Save the original photo
5. Go back to the filters and select 'Cool Old', save that image
6. Go back to the filters and select 'Old', save that image.
7. Copy and paste images into the boxes below and imagine what your life might look like at each stage.

Me now...

Me as an adult...

Me when I am old...
